

They Will Write A Book

V1:

It lies between baby blue sheets
It lives inside, our eyes
So that no thief can take
What only lovers can stake
A lifetime of things that make you stay

CHORUS:

They will write a book
Words that an author took
From our love to
Give the world a look
It will leave a stain
A book....
So I don't have to explain
They will write a book

V2:

It smells like rain on a thirsty plain
And it tastes just like the sky
And oh the things it reveals
To a heart that just won't heal
A lifetime of real to make you stay.

CHORUS

BRIDGE:

I feel it in the way you touch me
The way you put no girl above me
I want to give it back to you, I want to
give it back to you
It will leave a stain
A book....
So I don't have to explain

CHORUS 2

They will write a book
Words that an author took
From our love to
Give the world a look
They will write a book
